

In the Resolution of the Government's regular meeting in July 2020, one of the important point is to set up a special working group to attract foreign investment inflows into Vietnam. This working group is headed by Ministers and Chairman of the People's Committee of provinces and must coordinate with the Prime Minister's Working Group to attract the shifting foreign investment inflows, especially from multinational companies.

Accordingly, ministries, central and local agencies will actively review, remove or propose competent authorities to resolve problems related to investment and construction procedures for public investment projects. , continue to promote administrative procedure reform, improve the investment and business environment, facilitate and reduce costs for people and businesses.

“Each ministry, branch and locality establishes a special working group led by Ministers, Heads of departments and Chairman of the provincial People's Committee to coordinate with the working group of the Prime Minister to focus on solving problems, promoting the attraction of shifting foreign investment capital flows, especially from multinational companies with advanced technology ”- The Government's resolution stated clearly.
